WORKERS STAND UP FOR YOUR INDEPENDENT RIGHTS TO EMPLOYMENT!

DON'T BE VICTIMIZED BY SELF-APPOINTED UNION ORGANIZERS WHO WANT

YOUR DUES MONEY TO FEATHER THEIR NESTS

You know that Lake County Growers have always paid top wages for harvest workers compared with other agricultural areas.

20¢ to 23¢ per box and \$1.25 per hour
is a good wage

You know that Lake County Growers have voluntarily offered to pay the above wages this year, which are again tops in the State.

Is it fair that self-appointed union organizers demand 25¢ per box and \$1.50 per hour minimum when Lake County is already voluntarily offering more per box and the same wage per hour demanded by these same organizers in the Valley for the same type of work?

Is it right to let these same self-appointed union organizers push you into ruinous strikes when Lake County Growers have voluntarily agreed to dispense with the use of Bracero or National workers this year to give you a chance to prove that sufficient reliable domestic workers are available to harvest the crop?

If you allow yourselves to be pushed into a strike, it can only result in lost income to you. This loss of income can never be recovered.

YOU ARE ENTITLED TO WORK WHEN AND WHERE YOU PLEASE AND FOR ANY WAGE THAT YOU CARE TO ACCEPT. YOU WILL BE PROTECTED IN THE EXERCISE OF YOUR INDIVIDUAL RIGHTS by law enforcement agencies.

If you want work at the best agricultural wages offered in California, the growers of Lake County will locate and place you.
